

WARBY PARKER

— navigation redesign —

The image shows the Warby Parker website's navigation redesign. At the top, there is a header with links for "EYEGLASSES", "SUNGGLASSES", "HOME TRY-ON", and "LOCATIONS". On the right side of the header are "HELP", "SIGN IN", and a shopping cart icon. Below the header, there are two main sections. The left section features a black Warby Parker box with the slogan "Good things await you" and several pairs of eyeglasses displayed. The right section features a man and a woman wearing glasses, standing together. Below these sections, there are calls to action: "Try frames at home—for free" with buttons for "Take a quiz" and "Browse frames", and "Shop online" with buttons for "Eyeglasses" and "Sunglasses".
